

Destination Dance:

The Santa Barbara Dance Arts is in its 13th year under the direction of Alana Tillim and Steven Lovelace and has grown to a comprehensive academy of over 600 students with a focus on proper technique, musicality, body awareness, and fun! Alana has been directing dance summer programs for 10 years in Santa Barbara and is excited to bring another summer of **DESTINATION DANCE!** DESTINATION DANCE is a summer-long program for all ages and levels in a variety of disciplines. With classes in Hip Hop, Jazz, Broadway, Tumbling, Breakdancing, Swing and more, there is something for everyone at DESTINATION DANCE. Even the experienced dancer will find this long-term intensive experience rare in our community and an asset to their training and development. Each week is unique and dancers perform their work at a Thursday evening showcase in our **PERFORMANCE SPACE!** Plus our **FLEXIBLE** scheduling can make time for any family.

Our 8200 square-foot facility boasts 4 large dance studios, seating area, and INTRODUCING: The Dance Store where you can get your dancer outfitted with all the latest dancewear basics. The Dance Store also offers snacks and lunch food... you can even set up your child with their very own account! Plus, the loop around driveway makes for easy pick-up and drop-off!

The trained professionals and university and high school students that make up our staff are the heart of our program. Our amazing faculty is comprised of Broadway veterans and internationally trained professionals. And, many of our staff is comprised of former and existing students that have grown up in our program. This creates a wonderful sense of community, continuity, and tradition that sets our program apart. Our staff is CPR and First Aid certified and are extremely dedicated to create and maintain a fun, safe, educational, supportive, and positive environment. There is one staff member for every 10 children in our program.

We offer breaks between classes to get water and/or a snack. Please pack your dancer non-messy snacks & water bottles. Water breaks will also be offered during classes to keep your dancer hydrated and energized.

Jazz, Hip Hop, and Other Classes

Every day includes Jazz and Hip Hop PLUS a blend of unique classes each week. Mon/Wed might be Tumbling and Tues/Thurs might be Breakdancing. Tentative schedules will be posted on the web by the end of May. If the weekly scheduled class for the week has any shoe/apparel recommendations, we will send a note home on Monday

Weekly Performance: Thursdays at 5:15pm at the studio (not for once-a week dancers - only camp!)

Each week we will have an informal showcase of the dancer's work in our newly renovated performance space! The dancers will vote on a theme, color, or prop for their 'costume' (i.e. black & white, Rainbow, baseball hats, bandannas). The show will be 30-45 minutes- family and friends welcome! The performance is optional, but lots of fun and all ages/levels are encouraged to participate.

Lunch and Snacks - NEW LUNCH ORDER OPTION!

Send your dancer lots of WATER!! We do not have a drinking fountain, but the café has water bottles for sale. Please pack your dancer a good healthy lunch to maintain their energy for the entire day! All Day and 12:45 - 5pm packages include an Art Class and a Dance Education/Health Class along with a snack.

FAQ's

Q. If I have friends at camp, will I be in the same level with them?

A. Class placement and advancement is at the discretion of the instructor and director

Class placement is decided according to each student's technical understanding as well as the size of the class.

In addition, careful consideration is given to the student's age, behavior, and where they are in their growth cycle.

Q. Do I have to participate in a class I don't like?

A. We encourage you to take all the classes with your group. You may not like it because you're not good at it or it

is new. The only way to get better is to play and practice, plus you never know if you like it until you try it!

Q. What should I wear?

A. **Visit The Dance Store before camp to get all your dance basics!** Please wear comfortable clothes that allow movement - no jeans or dresses. Beginning dancers should bring socks and sneakers. Special dance shoes are not required, though are recommended if they will be attending multiple weeks. **Intermediate and Advanced dancers should have jazz shoes and ballet shoes if attending mornings and bring sneakers for hip hop. Baggy sweats help for hip hop!**

Q. If I miss a day can I make it up on any day?

A. Please call and notify the office if you will be absent. Mondays are best for make ups.. Please call the office at 805-966-5299 and let us know which day you would like to come and make up.

Q. Can I ever bring a friend to camp for a day?

A. Possibly, but the camp will very likely be full. If it's extremely important to you, call the camp business office.

We might be able to make a special arrangement.
